He will hold it for discussion after roll call vote.

00:38:29 Arizona seconds the Oklahoma rule book motion

00:30:35 Q from Arizona: need 2/3 or simple majority for passing votes? Robert discusses interference on the line, gentleman talked about rules - recommend a simple majority of those available for votes, those that show up makes the quorum in the Michigan Assembly, if there is small number of states then putting a motion on floor one week & voting the next week should help with that issue, how we do this is rule making/functions & operations, Notice of Diplomacy and Statesmanship up on website, we need the states to participate, we will have a large number of people to address issues
