

Findings of Facts

California Grand Jury convenes on the 23rd of September, 2023 to hear the matter brought forth by 11 people of the California General Jural Assembly.

This Writ of Combined Action complaint filed to the California Grand Jury was witnessed and confirmed by 11 people who has first hand knowledge and experience of the complaint made.

An investigation and deliberation was completed of the evidence submitted and the Grand Jury has come to a determination.

Due to the preponderance of evidence that was irrefutable these are the Findings of Facts:

As for the **Publishing Notice of Findings of Facts of a Grand Jury**, with this hold true that Elana Rowe, Trevor Stimson, Gina Johnston in concert with Charlene Rakhshani moved against the publishing of notice on July 31, 2021.

The same group of people moved against the California General Jural Assembly as a contrary action as stated in the Publishing Notice of July 31, 2021.

This California Grand Jury unanimously voted and confirmed that the Writ of Combined Action Complaint submitted is substantiated.

In remedy sought by and in relief, is proper and that relief is;

- Named individuals cease and desist referencing themselves as California General Jural Assembly;

- All documents, records, assets, and audio / video files relating to California General Jural Assembly be returned;

- Named individuals not to be allowed to rejoin or participate in any capacity related to the California General Jural Assembly or any California county general jural assembly in perpetuity.

California Grand Jury is adjourned.
