### PUBLIC NOTICE

This De Jure Grand Jury Finding of Facts that the grievances brought before this Grand Jury on this day April 16, 2023, in a Presentment of Declaration by People assembled in Wisconsin State, and find these grievances true and correct. Therefore, the Grand Jury finds that the People in Wisconsin shall assemble to re-assemble a De Jure Constitutional Republic.

Operations and Functions of the De Jure Grand Jury

of the sovereign people of Wisconsin, a Free and Independent Nation=State

The grand jury is the oldest, most respected and powerful civil institutions of the united States of America, and whereas the concept of a grand jury dates all the way back to the Magna Carta in 1215, and was included in the constitutions of the free republics of Wisconsin and the united States of America republic, cir. 1787 as a means for the people to rein-in elected government acting outside the limits of delegated power, and when a government appears to be committing criminal and un-Constitutional acts, it can hardly be relied upon to bring charges and indictments against itself. It is therefore the duty and obligation of We THE People to utilize this first form of correcting the abuse and oppression of government that has turned corrupt and greedy. To correct the conflict of interest of lawyers being the majority seated in all branches of government and there by writing immunities for their criminal acts.

Therefore, We THE People inhabiting the land of the Wisconsin, a Free and Independent Nation=State, free men and women convened under God, having been granted by the Creator dominion over all the earth, to protect and restore the blessings of liberty for ourselves and all the posterity, do hereby invoke our sacred right to peacefully assemble, as memorialized in the unanimous Declaration of the thirteen united States of America, cir. 1776, The Articles of Confederation, cir. 1781, the Covenant of Michigan, cir. 2010, do hereby establish the De Jure Grand Jury of the sovereign people of Wisconsin, a Free and Independent Nation=State.

This De Jure Grand Jury, existing by right according to common law and lawfully assembled on the free dry land of Wisconsin, a Free and Independent Nation=State, is not part of the de facto, incorporated Judicial system. It functions as an entirely separate and independent body according to rights and powers granted by the Creator and vested in We THE People by the Constitution for the united States of America, cir. 1787 as amended in 1791.
